## **Statement Regarding Compliance with CPNI Rules for Calendar Year 2005**

Cricket Communications, Inc. ("Cricket") hereby explains its compliance with the Commission's CPNI rules. Cricket does not use CPNI in any marketing efforts and does not disclose CPNI to any third parties except pursuant to a lawful court order or subpoena. Because Cricket does not use CPNI for marketing purposes, it does not seek customers' approval to do so. *See* 47 U.S.C. § 64.2009(a). Cricket trains its personnel regarding the company's policy against the use or disclosure of CPNI and has a disciplinary policy in place for violations of the applicable rules. *See id.* § 64.2009(b). Because Cricket does not use CPNI for marketing, the requirement to maintain records of marketing campaigns that make use of CPNI is inapplicable. *See id.* § 64.2009(c). To the extent that Cricket makes CPNI available to law enforcement agencies, pursuant to court order or subpoena, it maintains records of such disclosures. *See id.* Finally, Cricket has a supervisory review process to ensure compliance with its policy prohibiting the use of CPNI in any outbound marketing campaign. *See id.* § 64.2009(d).
